

Product Name: Damiana Extract 10:1

01	Identification of the substance/preparation and of the company/undertaking		
	Identification of the substance or preparation	:	Damiana Extract 10:1
02	Hazards identification		
	Human Health Hazards	:	Non hazardous
	Environmental hazards	:	Non hazardous
03	Composition/information on ingredients		
	Botanical name	:	<i>Turnera diffusa</i>
	English name	:	Damiana
04	FIRST AID MEASURES		
	After contact with skin	:	Remove contaminated clothing wash the affected area thoroughly with soap and water. If discomfort persists seek medical attention.
	After contact with eyes	:	In case of contact with eyes flush immediately with plenty of flowing water for 10 to 15 minutes holding eyelids apart and consult an ophthalmologist. Protect uninjured eye. Remove contact lenses, if present and easy to do. Continue rinsing.
	After Ingestion	:	DO NOT INDUCE VOMITING. In case of spontaneous vomiting, ensure vomit can drain freely to prevent danger of suffocation. Never give anything by mouth to an unconscious person when conscious, rinse mouth with water. Seek medical attention in case of any adverse effects.
	After Inhalation	:	Remove casualty to fresh air and keep warm and at rest. If breathing is irregular or stopped, administer artificial respiration. In case of respiratory tract irritation, consult a physician.
05	Fire-fighting measures		
	Suitable extinguishing media	:	Water spray ABC-powder Carbon dioxide (CO2) Nitrogen.
	Hazardous thermal decomposition products	:	No Hazardous thermal decomposition products
06	Accidental release measures		
	Environmental precautions	:	Prevent contamination of soils, drains and surface water.
	Method of cleaning up	:	Spilled product must never be returned to the original container for recycling sweep up or absorb material, then place into a suitable clean dry, closed container for disposal. Wash area with detergent and water.

07	Handling and storage	
	Handling	: Use in well ventilated area avoid inhaling vapour. Avoid contact with eyes, skin, and clothing. Keeping container tightly closed when not in use. Keep away from sources of ignition. slight dehydrating effect (hygroscopic)
	Storage	: Keep container tightly closed. Keep container in a cool, well-ventilated area.
		: Transportation- At room Temperature
08	Exposure controls/personal protection	
	Hand protection	: No special measures under normal conditions.
	Eye protection	: Use safety glasses.
	Face protection	: Safety glasses with side-shields. Use equipment for eye protection tested and approved under appropriate government standards.
	Protective and hygiene measures	: Wash hands with soap & water after handling.
09	Physical and chemical properties	
	Colour	: Yellow brown
	Odour	: Characteristic odor
	Flash point	: Not applicable
	Thermal decomposition	: Do not occur up to 100°C
	Bulk density	: Between 0.30g/ml and 0.60g/ml
	Solubility	: No data Available
	Melting point	: Not applicable
	Ignition temperature	: Not applicable
10	Stability and reactivity	
	Conditions to avoid	: Avoid exposure to moisture, air and light
	Material to avoid	: Strong oxidising agents and acids
	Hazardous decomposition products	: Liable to cause smoke & acrid fumes during combustion: carbon monoxide, carbon dioxide & other non-identified organic compounds may be formed.
	Additional information	: No decomposition if stored and applied as directed.
11	Toxicological information	

	MATERIAL SAFETY DATA SHEET	Issue No : 02
		Issue Date : 01/08/2023
		Doc No : TH/FSMS/MSDS/002
		Rev No 01

	Acute toxicity (LD50)	:	Non Toxic
	Skin irritation	:	Not observed
	Phototoxicity	:	Not observed
12	Ecological information		
	Biodegradability	:	Data not available
13	Disposal considerations		
	Method of disposal	:	When possible recover spilled product. When product must be discarded, do so into an authorised dump or recycling service station. Act in accordance with local and national regulations
14	Transport information		
	By Air / Sea/ Road Damiana Extract 10:1 is non-dangerous, non-toxic, non-hazardous and it can be carried in air-craft / ship / transport vehicle.		
15	Regulatory information		
	Hazardous label	:	Not applicable
	Symbols and indications of danger	:	Not applicable
	Nature of special risks	:	Not applicable
	Safety advice	:	As applicable to all botanical preparations

16 Other information
